

# Become an Information/Index Provider

The Saudi Exchange licenses information providers to carry out two types of services. The first pertains to data dissemination and distribution where the data vendor re-distributes market data in accordance with the Tadawul Information License Agreement (TILA). The second pertains to index creation for multiple uses and purposes in accordance with the Index Creation Agreement.

## How to Become an Information/Index Provider

The following documents are required to become an information provider:

- An official request for the License.
- A copy of the Commercial Register.
- Company Profile.
- Ownership Structure.
- Business Plan.
- Marketing Plan.
- Address Details.
