Company overview:

The Company main activities are the development and operation of power and water desalination plants in the Kingdom of Saudi Arabia and internationally through 1. Electric power generation; 2. Distribution and wholesale of electrical energy; 3. Water desalination; 4. Establishment of electric power plants and transformers; 5. Repair and maintenance of electrical power plants and transformers; and 6. Wholesale of desalinated water. The Company participates in projects whose activities include the: 1. development, establishment, ownership and rental of electric power generation plants, water desalination and steam plants, including related and ancillary activities; 2. generation and sale of electric power and desalination water, including related and ancillary activities; 3. operation and maintenance of electricity, water desalination and steam conversion plants; 4. purchase of electric power generation plants and desalination plants; and 5. purchase of real estate and movable assets necessary for the execution of the Company objectives.

Company History

The Group traces its history to 2004G when Abdullah Abunayyan Trading Company and Abdulkadir Al Muhaidib and Sons Co (who together formed Arabian Company for Water and Power Development or ACWA Holding (which today is known as Vision International Investment Company) and MADA Group for Industrial and Commercial

Investment (which today is known as Al Rajhi Holding) created Arabian Company for Water and Power Projects or ACWA Power Projects. This was in response to new opportunities that emerged in the Saudi Arabian electricity and desalinated water markets following the historic decision of the Saudi Arabian government, taken in 2002G pursuant to Supreme Council Resolution No: 5/23 dated 23/2/1423H (corresponding to 3 June 2002G) to progressively open up the electricity and desalinated water production sectors to the private sector to own and operate assets. ACWA Power Projects then successfully bid for the Shuaibah IWPP and Petro-Rabigh IWSP in 2005G and for the Shuqaiq IWPP and Marafiq IWPP in 2006G. In 2008G, Al Rajhi Holding, Vision Investment, Mohammed Abdullah Rashid Abunayyan, Sulaiman Abdulkadir Al Muhaidib and Ahmad Sulaiman Al Rajhi, established the Company, in order to acquire ACWA Power Projects and broadened the Groups strategy to include expansion of the Groups operations into high-growth markets outside of the Kingdom of Saudi Arabia. Since 2008G, the Company has been the holding company for the Group.

In addition, computer programs and the other intellectual properties. 8) Real estate investment and the resulting activities, such as selling, buying, leasing, managing, developing and maintenance. 9) Acquire loans and own fixed and movable assets for intended use. 10) Provide financial and managerial support and other services to subsidiaries. 11) Provide development, training, asset management and other related services. 12) Provide solutions for decision support, business intelligence and data investment. 13) Provide supply chain and other related services. 14) Provide digital banking services. 15) Provide cybersecurity services. 16) Construction, maintenance and repair of telecommunication and radar stations and towers. Moreover, stc is entitled to set up individual companies as limited liability or closed joint stock. It may also own shares in, or merge with, other companies, and it has the right to partner with others to establish joint stock, limited liability or any other entities whether inside or outside the Kingdom.

Company History:

Saudi Telecom Company -stc- was established as a Saudi Joint Stock Company pursuant to Royal Decree No. M/35 dated 24 Dhul Hijja 1418H (corresponding to 21

April 1998) that authorized the transfer of the telegraph and telephone division of the Ministry of Post, Telegraph and Telephone (MoPTT) with its various components, technical and administrative facilities to stc in accordance with the Council of Ministers Resolution No. 213 dated 23 Dhul Hijja 1418H (corresponding to 20 April 1998) that approved stc by-laws (By-laws). stc was wholly owned by the Government of the Kingdom of Saudi Arabia (the Government). The Government sold 30% of its shares pursuant to the Council of Ministers Resolution No. 171 dated 2 Rajab 1423H (corresponding to 9 September 2002). During the year 2022 stcs capital has been increased by 150% via capitalizing SAR 30 billion of retained earnings and granted 1.5 bonus share for each 1 share owned by shareholders at the eligibility date. Thus, stcs capital increased from SAR 20 billion to SAR 50 billion. The increase in stcs capital will support achieving its growth and expansion strategy along with maximizing its shareholders return thru increasing and diversifying stcs investments and seizing the expected growth opportunities in the telecommunication & technology sector in the Kingdom of Saudi Arabia and the region. The Public Investment Fund (PIF) is the ultimate controlling shareholder of stc through its ownership of 64% after the sale of 6% of stcs shares through a secondary offering during the year 2021. stc commenced its operation as the provider of telecommunications services throughout the Kingdom of Saudi Arabia (the Kingdom) on 6 Muharram 1419H (corresponding to 2 May 1998) and received its Commercial Registration No. 1010150269 as a Saudi Joint Stock Company on 4 Rabi al-Awal 1419H (corresponding to 29 June 1998). stcs head office is located in King Abdulaziz Complex, Imam Mohammed Bin Saud Street Al Mursalat Area, Riyadh, Kingdom of Saudi Arabia. Since its inception and listing in the Saudi Stock Exchange, stc has gone through many substantial milestones in its history, which led to the growth and expansion of stc until it became the leader in the communications and information technology sector in the Middle East.
